## Pupil Achievements

Imogen N joined Stagecoach in January 2013, having enjoyed partaking in the school Christmas play!

She has stuck with Stagecoach Carlisle/Cockermouth ever since. In March 2016 she was put forward for her first LAMDA exam (London Academy of Music & Dramatic Art) passing with Distinction. From this she was invited to join "The Lakes Choir".

Through the choir she has been selected to perform at 'Her Majesties' Theatre in London's West End - along with all of Stagecoach's elite pupils.

We can't describe how proud we are of Imogen and her achievements so far and wish her lots of luck this weekend in London!

### **Learning Achievements**

**Reception:** have been writing about healthy foods and learning what exercise keeps us healthy. They have been writing about why they love their Daddies. In maths they have been counting in 2s, 5s and 10s. They enjoyed their sports at Henshaw.

**Class 1:** have been learning all about how bees make honey as honey is a healthy alternative to sugar. The children now understand how important bees are, not just in our country but all over the world. They have been creating surprises for their Dads – but sshh – it's a secret!

**Class 2:** have been doing discussion writing which they mastered very quickly. They also covered dictionary work and homophone work. In maths they have been working on area and capacity. They had an enjoyable day at Henshaw doing various sports and they built good friendships

For more information please look on our website and Facebook page.
