Our Vision..... "Alone we can do so little, together we can do so much" Helen Keller Our Mission.....

Our mission is founded on Christian beliefs and values to serve our local communities and wider community through providing the best possible education in the West Tyne Federation.

Our schools are committed to the personal development of all involved and aim to provide life- long learning.

We aim to provide extended facilities in our four schools in order to support each child on their learning journey.

We believe this policy relates to the following legislation:

- Education Act 1996
- Education Act 1997
- Standards and Framework Act 1998
- Education (National Curriculum) (Temporary Exceptions for Individual Pupils((England) Regulations 2000
- Education Act 2003

The following documentation is also related to this policy:

- Designing and Timetabling the Primary Curriculum - a practical guide for Key Stage 1 and 2 (Qualifications and Curriculum Authority 2002)

We have a duty to ensure compliance with the revised National Curriculum and with the application of the new programmes of study and attainment targets. We use the flexibility in the National Curriculum to meet the needs and talents of the pupils in this school.

We are aware that by providing the National Curriculum we are satisfying the requirements of a broad and balanced curriculum.

WEST TYNE FEDERATION

We believe we give all our children full access to National Curriculum and we enable them to achieve the highest academic and personal standards of which they are capable by providing them with challenges and the life skills that they need in order to take their place in society. We want all our children to succeed.

We provide for all children a broad and balanced curriculum that promotes their spiritual, moral, cultural, mental and physical development while preparing them for the opportunities, responsibilities and experiences in adult life in democratic Britain.

We see the development of English, Mathematics, Science and I.C.T. as central to our curriculum work, balanced with the humanities and expressive arts. Also, the experiences of the children will be enriched by a range of planned extra-curricular activities.

We strive to provide a curriculum that all pupils will find enjoyable with them understanding the relevance of their lessons. This can only be achieved by using the experience, enthusiasm and specialism of individual teachers who provide interesting, relevant, purposeful and differentiated lessons based on real-life experiences, wherever possible, in a structured well ordered classroom environment.

We wish to work closely with the School Council and to hear their views and opinions as we acknowledge and support Article 12 of the United Nations Convention on the Rights of the Child that children should be encouraged to form and to express their views.

We as a school community have a commitment to promote equality. Therefore, an equality impact assessment has been undertaken and we believe this policy is in line with the Equality Act 2010.
