

## Art in Year 5

- I can create sketchbooks to record my observations and use them to review and revisit ideas.
- I can improve my mastery of art and design techniques, including drawing, painting and sculpture with a range of materials (for example, pencil, charcoal, paint, clay).
- I can learn about great artists (Picasso, Van Gogh and Rembrandt) architects and ..... designers in history.
- I can evaluate and analyse creative works using the language of art, craft and design.
- I can develop a key element of my work. (line, tone, pattern and texture).
- I can use different techniques for different purposes i.e. shading, hatching within their own work.
- I can use drawing techniques to work from a variety of sources including observation, photographs and digital images.
- I can confidently control the types of marks made and experiment with different effects and textures (blocking in colour, washes, thickened paint creating textural effects).

## Art in Year 6

As above and...

- I can use sketchbooks to collect and record visual information from different sources as well as planning and collecting source material.
- I can draw for a sustained period of time over a number of sessions working on one piece.
- I can use different techniques for different purposes (shading, hatching) within my own work, understanding which works well in my work and why.
- I can purposely control the types of marks made and experiment with different effects and textures (blocking in colour, washes, thickened paint creating textural effects).
- I can demonstrate experience in the understanding of different ways of finishing work: glaze, paint, polish.
