Learning Achievements

Reception/Class 1: This week we have continued with our recount of "The Snail and the Whale" and solving problems linked to time. We have also spent some time in our new class ready for September,

Class 2: this week the children have been creating their own acrostic poems by using powerful vocabulary to create an inspiring description of a state in the USA. The children also used Open Office to produce a Powerpoint presentation on their chosen state which they presented to their peers. In Maths the children have been converting and measuring mass and describing the position of shapes using co-ordinates. We also thoroughly enjoyed our afternoon at the Sage participating in a Big Sing.

For more information please look on our website and Facebook page.

Threadworms/Head lice

There have been cases of threadworm in school. There is no reason to keep a child off school or nursery as long as the child is treated and general hygiene measures are followed. Effective treatment is available from your pharmacist. It is important to treat the whole family if one person develops symptoms. Also, please can we ask you to check your child's head on a weekly basis for headlice.

E-safety update

Please see website for parental guidance and specific apps. Age requirements for social media information attached.

Please could any money owing (for trips, dinners, swimming etc) be sent in by **Friday, 12th July** so it can be banked before the end of the academic year.
