Learning Achievements

Reception: have been learning to recognise coins and using them in the class shop. They have been writing stories using descriptive words and they have been finding out why certain animals have chosen the Nature Garden to live in.

Class 1: have been learning all about Dick Turpin; was he a gentleman of the highway or a cruel and evil bully? In Science the children have been researching common animals that might be in our Nature Garden.

Class 2: have made fantastic progress with their newspaper report writing and their work on angles and fractions. They have been enjoying the swimming and rugby sessions and are improving their football skills ready for next week's football tournament.

For more information please look on our website and Facebook page.

Football Tournament

KS2 will be playing in a Football Tournament at Greenhead along with other schools on Wednesday, May 17th. Please can they bring appropriate footwear and dress for the weather. (Sunscreen and sunhat if it's a hot day please).

Toys

Please can we remind you that no toys, including fidget spinners, should be brought to school. There have been occasions when toys have been misplaced or damaged which is upsetting for the child concerned.

Meeting

You are invited to come for tea/coffee in the school hall on Friday, May 19th to meet with the governors and discuss the way the school will be moving forward and the positive changes that are planned.

Homework

There has been a fantastic response from the children to the homework tasks they have been set. Keep up the good work!

Yours
