Learning Achievements

Reception/Class 1: This week we have been describing sea creatures using adjectives and adverbs. We have been investigating living things. In Maths we have continued to work on time.

In Reception we have been looking at "Sharing a Shell" and working on recognising numbers to 10 and doubling.

Class 2: this week the children have been emailing each other to plan their itinerary for their road trip to the USA. They have also been learning about the advantages and disadvantages of email and how to stay safe online. The children are enjoying reading "The Indian in the Cupboard", our class guided reading book and have created their own chapter. We have continued to learn about angles and time in Maths. They have been designing a jacket for Beebot so that he looked like a New York Taxi and could travel around the city successfully if the children have programmed him correctly.

For more information please look on our website and Facebook page.
