14<sup>th</sup> January 2022

Dear Parents

### ***WHOLE SCHOOL STEM WORKSHOP - LEGO™***

We are delighted to announce that on Friday 11<sup>th</sup> February, the school will be having a half day Stem Workshop using LEGO bricks.

This is a very “hands-on” workshop and we are very excited that this workshop will finally happen after being postponed from last year.

Please see the flyer attached.

A voluntary contribution of £3.00 towards the cost of the workshop would be appreciated.

A payment request has been set up on School Gateway or if you prefer, please send your donation into school with your child’s name and LEGO WORKSHOP on the envelope, along with the attached slip, by Friday 7<sup>th</sup> February.

Thank you

Mrs Fairless  
Acting Head Teacher

# STEM workshop

## Using the world's most famous building tool Lego® bricks

We are delighted to announce a new workshop for 2021 - a workshop using Lego® bricks to cover STEM topics.

Be one of the first to experience this workshop, perfect for the new term in September. The workshop encourages young people to think about everyday technology and engineering challenges and get hands-on to solve them. Our experienced facilitator works with the whole class to solve tricky challenges, using maths and engineering to model real-life solutions.

Lego® is a trademark of the Lego Group
