

KS2 Potion Homework

3rd November 2017

Look carefully at the six different activities. Each week you need to select one activity and complete it. Once completed you must bring your potion book back to school every Friday to show your teacher.

Presentation is as important as completion of the activity. Think about your handwriting, is it neat? Work can be typed up and printed off either at home or school providing you don't leave it to the last minute and allow staff at school plenty of time to print your work. Friday morning is not ideal to be expecting homework to be printed.

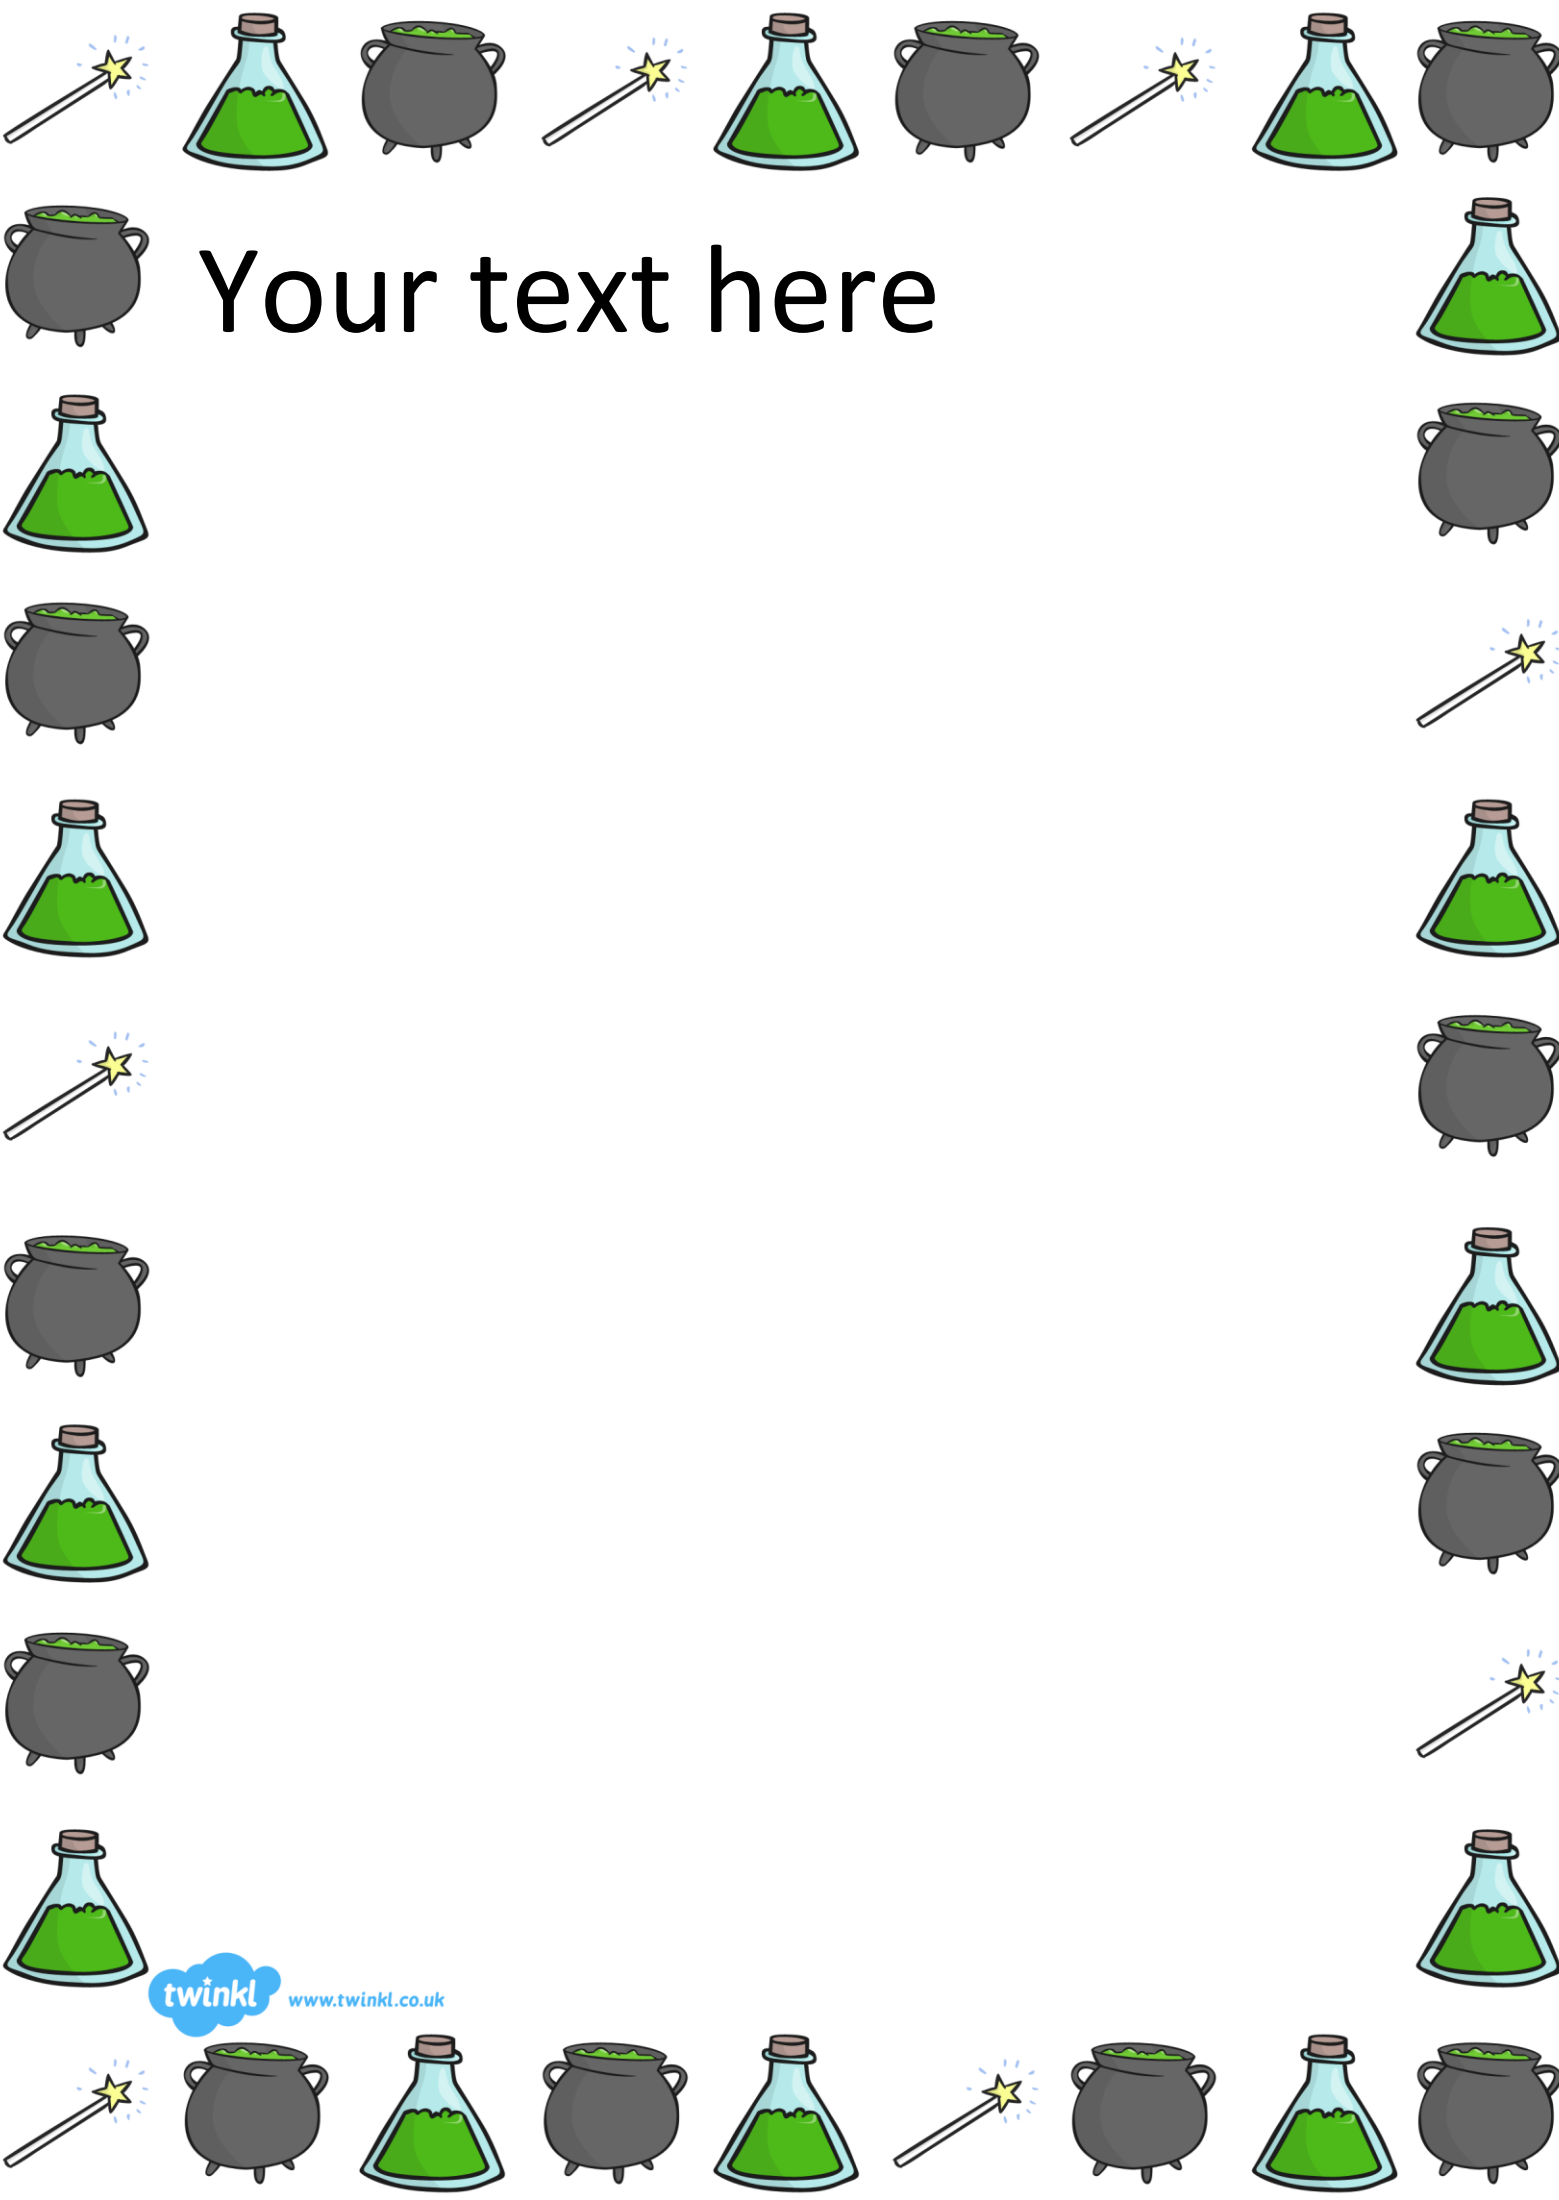

Photographs of you completing different activities can be stuck into your potion book. It would be great to see the ice-lollies and perfumes created.

Be proud of your work and make the effort. Remember you need to show your homework weekly. All activities to be completed **by Friday 15th December 2017.**

Any problems then please see Mrs Fairless.

Prizes and points for presentation and effort.

Good Luck!
