Learning Achievements

Reception & Class 1: this week we had a great day out learning about Peter Rabbit and watching the film. We also helped make the royal wedding cake

Class 2: have become poets! They have created poems about an allotment using figurative language and using poets Rudyard Kipling and Melanie Waters as our inspiration. Labelling and drawing a cross section of a flower in Science helped the children understand the functions of all the different parts. Kate's gran kindly gave up her time to help the children plant potatoes and beans on Wednesday afternoon. Wedding fever has reached Greenhead with the children baking their own special wedding cake and then taking part in our very own wedding ceremony.

For more information please look on our website and Facebook page.

Staff led after school clubs

Please note that if your child is not collected at the required time they will have to attend After School club and you will be charged accordingly.

Peter Rabbit trip to Rheged

Our Key Stage 1 and Reception children were so well behaved and enjoyed every minute of their Federation trip to Rheged. They took part in a range of activities linked to their topics and watched the new Peter Rabbit film.

Baby Beauden

We were so happy to meet baby Beauden this week and give him lots of cuddles! We are looking forward to having Miss McCrea back with us in September for the new academic year.

SATs

A huge well done to all of the children who have taken part in their SATs this week. We are very proud of the effort and determination shown by all.

The **Reading Rocketeers** will be selected for this half term on Monday 21st May – one last weekend of reading to get a raffle ticket in the pot for a treat!
