Learning Achievements

Reception/Class 1: This week we have been looking at whether we prefer living in the city or country and we have been making Easter cards. In Maths we have continued to work on capacity.

Class 2: this week the children have been creating their own Anglo-Saxon houses. They worked with a partner to plan, draw and then create their house using card, twigs, moss or straws. The children thoroughly enjoyed their Viking afternoon at Henshaw where they met Findlief Ragnarsson. Findlief put the children through their paces where the children created a long boat and learnt how to hold a sword during battle. The children baked chocolate tray bakes in preparation for the cake sale.

For more information please look on our website and Facebook page.

Key Stage 2 Viking experience

The Key Stage 2 children joined their friends from GH/Henshaw to have an authentic Viking experience! They listened carefully to the 'Viking' and all joined in appropriately- well done everyone!
