Stars of the Week

Reception – Lily for super shape work

Class 1 – Oliver for a fantastic piece of homework about animals

Class 2 – Elias for delivering a passionate speech for children after the war

Virtues & Values Award – Kindness – Lilly-Mai for making a dairy-free oat cake so that all the children could enjoy it.

Headteacher's Award – All the children in Key Stage 2 for their professional propaganda posters!

After School Clubs

Mr Livings (Key Stage 2 teacher, Henshaw) will be starting a **football club**/training session every Friday 3.30 – 4.30pm at Henshaw open to Key Stage 2 children. This will be in preparation for a tournament with children from other local schools in the Spring Term.

Cookery club and **netball club** will continue after half term – same days and times.

Learning Achievements

Reception: have been making bread to sell to their parents. In Maths they have been looking at 2D shapes.

Class 1: we have been looking at rhyming words and creating our own rhyming phrases. In Maths we have continued to work on addition and subtraction.

Class 2: have been listening to speeches by Churchill in preparation for delivering their own speech for children. In Science, the children have created a circuit to deliver a coded message.

All homework has been brilliant and the children have all put a lot of time and effort into it – well done.

For more information please look on our website and Facebook page.

Swimming

Swimming lessons for Key Stage 2 children will continue after the half term break.

We are asking for a voluntary contribution of £3.90 per lesson - £31.20 for the half term.

It would greatly reduce administration time and costs if the full amount could be paid on return to school – Monday, 30th October.

Wellies

Please can all children have a pair of wellies that can be kept in school.

Reception and Key Stage 1 children will also need waterproofs after half term as they will be going outside a lot as part of their topic.

Nut Allergy

Please can we remind you that we have a child in school with a severe nut allergy. No nuts, or products containing nuts, e.g. peanut butter, Nutella, fruit and cereal bars containing nuts etc. should be brought into school as they could potentially cause a severe allergic reaction. Thank you for your co-operation

Harvest Festival Produce

Thank you to everyone who donated food/produce at our Federation Harvest Festival last week.

It has been gathered together and sent to the West Northumberland Food Bank.

May I take this opportunity to wish all our families a safe and relaxing break.

Yours
