Reception -. Theo for his great knowledge on mini beasts

Class 1 – Ellie for improving her presentation in her work and becoming more confident in her Maths

Class 2 – Olivia for creating a lovely sentence containing a possessive apostrophe.

Virtues & Values – the whole school for showing determination in completing their Daily Mile

Headteacher's Award – Brandon for caring about his peers and for displaying a kind and caring attitude to everyone.

I hope you all had a wonderful break and that your half term was full of fun and that it was a happy, family time. It was a great rest and we now look forward to our last half term! This year is flying by and there is much to do, learn and experience! We have a lot of exciting activities planned for the children and we can't wait to start our new topics!

Father's Day celebrations

The children would like to invite their Dads or a male relative into school to celebrate Father's Day by taking part in a cricket tournament and enjoying a bacon buttie afterwards on Thursday, 14th June at 2pm. If you would like to join us please complete the slip attached so that we have numbers to organise teams and for catering purposes.

Attendance w/c 4/6/18

Reception	92%
Year 1	100%
Year 2	84%
Year 3	94.3%
Year 4	100%
Year 5	97.1%
Overall	94.1%

Learning Achievements

Reception: have been on a mini beast hunt and found lots of different bugs and we wrote about our bug hunt. The mini beasts have been helping us with our adding and doubling also.

Class 1: have been researching about a plant or flower to create a non-chronological report and we have started to look at time in Maths.

Class 2: have been creating their own non-chronological report on mini beasts which, once completed, they will take down and read to the Reception children - their target audience. In Topic, the children drew a map of the nature garden and then went on a mini beast hunt - locating the exact area where they found a mini beast on their maps. Photographic evidence was taken on IPads of all mini beasts. Duration of time and converting different measurements of mass were the concepts being taught in Maths this week, time being something we often run out of in class 2!

For more information please look on our website and Facebook page.
